

Technical Rider

The Space

- The show should be set in a multi-purpose room, auditorium, or theater style venue that is free from distractions.

The Stage

- Stage should be 12 x 16 or larger. Unless alternative accommodations have been approved by the performers.
- The surface must be cleared of any equipment not being used in conjunction with date.
- A general stage wash is acceptable for lighting. The house lights may also need to be adjusted during the performance.
- 2 tables to be setup on both sides of the stage or in front of the room with the length of the table facing the audience
- 1 small table to hold a laptop near the VGA projector input unless a speaker podium with a VGA hookup is available
- 2 chairs

Technical

- 2 Standard US power outlets on or near the stage.
- At least 1 projector and screen that is large enough for the entire audience to read the posted text messages clearly.
- Adequate cell phone service inside the room or building that will be needed for text messaging – this is a must! Contact The College Agency with any concerns you may have.

Sound

- A sound system with at least 2 XLR or 1/4" inputs is required.
- 1 wireless microphone

Prizes

- School to provide 8 separate prizes or giveaways to be used during the show.

“I have read and am able to comply in whole to all parts of this rider.”
